

STANTON – IN – PEAK PARISH COUNCIL: Minutes

Minutes of the Parish Council Meeting held on 22nd September 2020
At 7:30pm Using Zoom under Covid Government Conditions

PRESENT: Cllr S Fogg, Cllr P Morris and Cllr I Mortimore
In attendance: Parish Clerk and 1 member of the public

1679 **To receive apologies for absence**

Cllr R Griffith sent apologies

1680 **Variation of order of business and Clerk's request for inclusion of Time Constrained items**

No variations required.

1681 **Declarations of Members Interests**

No declarations were required in respect of this meeting.

1682 **Public Speaking**

a) Members of the public – none

b) PDNPA Member Kath Potter and PCSO B Morris sent apologies.

District Councillor Matthew Buckler discussed the worse representation when the boundary changes increase population size and reduce number of District Councillors.

Public Space Protection Order was knocked back at DDDC but is coming out for Review in November which means that no assistance for the Moor will be forthcoming anytime soon.

1683 **To confirm the Non-exempt minutes of the previous meeting**

RESOLVED to confirm as a correct record the minutes of the meeting held on 14th July 2020.
The minutes were signed by the Chair.

1684 **To determine which if any from Part 1 of the Agenda should be taken with the public excluded:** none

1685 **Planning Applications** – due to the 28-day return deadline, Council will discuss any applications received between publication of the agenda and the meeting date at this meeting.

i) Decisions received – none

ii) Applications for Decision – NP/DDD/0620/0481 - Listed Building consent – Home Farm -
Installation of two air bricks to the external wall of the building next to road

Council supports this application to provide a long term solution to damp problems using appropriate materials.

iii) Planning updates/issues:

Items for clarification with PDNPA: Chimney flues – are not subject to special consideration in Conservation Areas and in the case in query permitted development.

Items for clarification with DDDC:

Ecobat – on all night external lighting and change of use from residential

Enthoven – non-permission external lighting query

Response from DDDC regarding all these queries and more raised in February has been received. Too many assumptions have been made leaving most questions unanswered and council will make a considered response over the next few weeks to answer the points raised. A copy of the letter is to be forwarded to our District Councillor.

STANTON – IN – PEAK PARISH COUNCIL: Minutes

1686 Footpaths and Highways

Footpath No.4 – no update received. Crossroads still not repaired. Highways review needed for Dale View haul route to repair the roads. Lees Road collapse repair due by 21 Nov 2021 – off-roaders are trying to get through and safety measures being compromised by moment of safety barriers – DCC need to inspect and put better signage to state road collapse.

1687 Reports

i. The Green / Parish assets

The Green –Fisher German have yet to come back. The Stanton in Peak noticeboard is in a very poor condition and needs replacing with a weather proof board – grant application with DDDC approved – clerk to chase payment as still not received.

ii. PDNPA Stanton Moor Solstice feedback and future

Solstice feedback – Constituency review was promised and will be chased. Signage and HE liaison is with PDNPA and will be chased up for a progress report. The PSPO decision at DDDC needs a letter to all councillors to state our disappointment with the delays as this would be a powerful tool to protect Stanton Moor.

iii. Enthoven – HGVs

Quieter in the hills probably due to less movements in this climate but problems remain with traffic in Darley Bridge and a litter pick is needed in the vicinity of the factory.

iv. PDNPA Parish Statement amendment

Approved to remove "draft" and accept as a fluid document that will be updated as aspirations, statistics and local requirements change.

v. Local Boundary Changes

Council agreed that it would like to see a grouping based around the access to the common industry of the area – the quarries and foundry. They therefore agreed that the existing grouping of Stanton in Peak, Birchover, Rowsley and Northwood and Tinkersley was best augmented with South Darley and if too large then swapping Northwood and Tinkersley with South Darley the best option as routes through South Darley are crucial for access into the Stanton in Peak Wards of Warren Carr and Stanton Lees. The Council considers that town parishes should not be paired with village parishes as there are too great a difference in their needs and their larger population in practice gains all the attention from its District Councillor to the detriment of the tagged on village parish.

vi. Parishes Forum letter

(Duplicate item) See above as this is the DDDC forum question raised last February.

vii. DDDC Events permits – Sabine Hay

A re-enactment with loud noise of gunfire and disturbance to livestock took place recently. Large group in uniform and no- social distancing was observed marching up the hill with weapons. The District Councillor offered to check whether permits are required.

viii. Website Accessibility Statement

The statement is now on the website. The costs are disproportionate for a parish of our size however this cannot be an all-time answer and the clerk is looking into ways our obligations can be met. Documents put up in the last three months are compliant but some work will need to be done to tweak the pages.

STANTON – IN – PEAK PARISH COUNCIL: Minutes
