1718 Declarations of Members Interests

1719 Public Speaking

a) Members of the public – a solar powered lamp was raised and needs raising with the County Council.

A member of the public discussed the Enthoven EA appeal and his optimism for limits not being raised but awaits the verdict and noted the already incremental increases since 2006 and a double-sided insert to Snail for parishioners to support an action group. A new variation of the EA permit was applied for June/July last year but details await the formal application period for release of a copy so were not available for this meeting. The lack of consultation gives grounds for challenge at many levels as this is a Schedule 1 site and the outcome of the appeal is awaited to set this in motion. Council noted that it will gather parishioner evidence as an interested party. Thanks were expressed for the member of the public's interest representing all interested parties.

b) no matters

for Decision – NP/DDD/0321/0305 Welkin House Lees Road Stanton Lees – Porch extension to Dwelling

- Enthoven – non-permission external lighting query
- Response to DDDC comments regarding all the queries has been returned

Clerk chasing Highways for Quarry contributions response.

1724 Reports and Decisions

i. The Green / Parish assets

The Green –Fisher German have yet to come back following acceptance of our requirement for continued use. The new noticeboard for Stanton in Peak is being ordered for when Covid makes fitting easier.

Swings – the clerk has had two similar prices for purchase and one for fitting which with the wet pour patch doubles the cost. Further prices will be sought but play companies do better package deals than individual items which will impact reserves while grants are unavailable.

ii. PDNPA Stanton Moor Meeting

The next is on 1st April and with the poor response from DDDC on PSPOs but further interest shown by our MP it is hoped there will be more to report to parishioners in Snail.

iii. PDNPA Minerals Meeting is on 24th March and thanks to Jane Newman the PDNPA lead who is leaving the authority will be passed on. Noise at New Pilhough has increased in the last few days and will be queried.

iv. Enthoven – HGVs

South Darley Council will be asked about the resumption of Liaison meetings once the appeal decision is received.

v. Local Boundary Commission changes

Responses to this will be made by 10th April deadline. Currently is proposed that the Stanton District Ward loses Rowsley to Chatsworth and gains South Darley.

vi. SEG Events on The Green

SEG have been awarded a grant incorporating two octagonal picnic benches that are easier to sit at. Council is pleased to accept these assets and add to our register as they to be placed on The Green and available year round for any parishioner and visitor to use.

1725 Items for information and DALC (already circulated by email)

DALC Circulars/briefings; PDNPA Bulletins; Covid information;

20 is Plenty – whilst there is some concern for how the policing of this would work in practice, Council supports the Derbyshire campaign which seeks to make "20mph as the default speed limit for village streets where people live, shop, play and learn."
