1781 Public Speaking

a) Members of the public – discussed gritting through Stanton Lees and over the top as the new emergency route since the road collapse noting that gritters have been followed driving the route but gritting ends at the Enthoven entrance. The steep route up to the chapel now relies on the 2 council bins. A WWII re-enactment has posted announcements of its next event and will be checked for compliance with noise and police notification. SAFER briefed the meeting on its ideas to move forward now the Enthoven planning permission has been granted. The EA fixed permit limits are seen as the best way to chase DCC Highways. Council noted that it was still awaiting the outcome of DDDC meeting with all parties that had been promised and would chase this.

b) DCCllr Sue Hobson, PCSO Morris and PDNPA Parish Member Kath Potter sent apologies. PCSO Morris has changed email address so hasn't been receiving invites. DDDCllr Matt Buckler asked for feedback on the Boundary Commission changes with the split up of this ward that sees Birchover and Stanton join the new Ward of Youlgrave and noted the disappointment from several that this parish had not joined with South Darley to more cohesively deal with the issues centred on Darley Bridge.
